

To get a key for Bing maps in the Web Client, please follow the steps below:

- Go to <https://www.bingmapsportal.com/>
- Sign up or sign in with your Microsoft account

Bing maps | Dev Center

Sign in

## Welcome

The Bing Maps Dev Center provides the tools and resources you need to develop with Bing Maps. You can store, access, and keep track of your store locations or other spatial data through our online data source management system. You will also receive important announcements around your Bing Maps account.

Sign in

### First time Bing Maps developer?

To get started developing with Bing Maps, you will need a Bing Maps key. To create a key:

1. Click on the "Sign In" button above and use your Microsoft account or your Enterprise Azure Active Directory account to log in and get started.
2. If you don't have a Microsoft account you can create one through the "Sign In" process.

#### Samples
